

The 1th Nordic ICOLD seminar

November 6th 2019, Oslo

The Nordic ICOLD committees would like to welcome to our 1th Nordic seminar on dam safety. Please block your calendar for this event!

Topics will be:

- Dam safety work in each of our countries - seen from both industry and authorities
- Where do dam owners spend money?

We will also focus on technical topics like:

- Ice loads/winter conditions
- Nordic climate change impacts - and methodologies as related to the safety of dams

On behalf of the organizing committee:

Juha Laasonen, Guðlaugur Þórarinnsson, Maria Bartsch and Anne Marit Ruud
