

ICOLD Nordic Tailings Network

22.3.2024

3rd Nordic Tailings Dams Network (NTN*) meeting

FINCOLD, SWEDCOLD and NNCOLD would like to invite you to

The 3rd Nordic Tailings Dams Network (NTN) meeting

29.-30.5.2024 Kittilä, Finland

*NTN is an initiative from ICOLD representatives from Sweden, Norway and Finland and its objective is to increase collaboration and knowledge of tailings dams in Nordic countries.

The 1st meeting was held in Gothenburg 6/2023 and the 2nd meeting in Oslo 9/2023

NTN participants are welcome to attend:

Short Course on Stability Analysis of Tailings Dams May 27-28 in [Levi Summit](#)

Tailings Course Outline (Two-Day Course) R1.pdf

Registration and accommodation reservation

Please confirm your attendance to the meeting, site visit, the dinner and to short course as soon as possible and no later than **24 April 2024** by clicking here:

[Registration and accommodation reservation](#)

Reservation for hotel rooms for participants is made at [Hotel Levi Panorama](#) **26.-30.5.** via [Registration and accommodation reservation](#) link. Accommodation paid for separately by invoice or credit card in advance. The accommodation prices are:

- 91 €/ night/ 1 person/ standard
- 104 €/ night/ 2 people/ standard

The hotel is located next to the event area. The end of May is low season in Levi. If you book your accommodation in advance, you can secure a room at this price.
